## COVID-19 GUIDELINES FOR PLAYING CRICKET MATCH ORGANIZED BY KARNAVATI CLUB LIMITED

Please note that these Guidelines are suggestions for best practice. All those responsible for any such cricketing activity should feel free to make their own guidelines more stringent wherever they deem necessary.

### **Transportation:**

Players should make every effort to arrive at the ground using their own method of transport. However, where they share a car with individuals outside of their own family or use public transport, then they should wear a cloth mask at all times.

### **Temperature Testing:**

There should be a mandatory temperature check of all players prior to training commencement; where any player has a temperature of 100.4F (or 38c) or higher, then access to such training session should be denied. All employees, officials, staff or consultants working at any facility should also be subjected to a mandatory temperature check at the commencement of work each day at the relevant facility. Where any such person has a temperature of 100.4F (or 38c) or higher, then they should not be permitted to work in the facility.

### **Sanitization:**

Hand cleaning products such as soap and water or sanitizer should be made available to all players at all playing sessions; players are strongly encouraged to bring own sanitizing products to ensure that they have easy access to such materials. All players should take steps to clean their hands immediately prior to the training session, immediately after the training session and before any material change in activity during the session (e.g. once a batting net is complete and a player move to a set of fielding drills).

### **Social Distancing and Use of Facial Covers:**

There should be no deliberate physical contact at any time or for any reason. Where any participant (player, coach or otherwise) is unable to maintain 6ft of social distance from another at any point during a playing session then cloth masks should be worn during that part of the relevant playing session. Where practical, markers should be placed on the ground to indicate appropriate social distance, e.g. between training stations (or similar). Where any participant wishes to wear a face-mask even when more than 6ft away from another, they shall be free to do so.

### **Team Meetings:**

Follow social distancing guidelines, all players should be 6ft apart in a circle.

### **Batting Partners:**

Both members of the batting pair should remain 6 ft away from each other at all times, with particular care to be taken when communicating orally throughout the match.

### **Ball Maintenance:**

No saliva should be applied directly or indirectly on the ball. Players should refrain from licking hands/fingers at all times.

### **Managing symptoms and incidents of Covid19:**

Where any player or official has played in a group environment and then subsequently fallen ill or developed symptoms, then that player or official should: (1) report the same to the organizer of the training group; (2) seek healthcare support immediately; and (3) follow all local and authority regulatory requirements. Where any player or official has trained in a group environment and then subsequently contracts COVID-19, then that player or official should: (1) report the same to the organizer of the training group; (2) follow all local and authority regulatory requirements; (3) self-quarantine for a minimum period of 14 days (or such period as they may be advised by any medical practitioner – whichever is longer) before returning to training; and (4) provide a copy of a doctor's note confirming that they are clear to participate in such group training environment. Where any report of an individual contracted COVID-19 is made, the organizer of the training session should: (1) notify all individuals who may have come into contact with the reporting individual; and (2) immediately cease all related activities and carry out a new risk assessment exercise before any further activities are resumed

### **Ensuring compliance:**

Team Captain should be instructed prior to each session to be responsible for ensuring the compliance of these guidelines (and/or any other relevant regulatory guidelines) throughout the session. Any individual who does not comply with these guidelines (and/or any other relevant regulatory guidelines) during a session should be removed from the session. For the purposes of supporting potential contact tracing, the individual assigned responsibility for ensuring compliance should keep a record of all persons in attendance at each playing session.

### **Player Waiver:**

All players should be required to sign an assumption of risk, release and waiver of liability and indemnity agreement relating to COVID-19 exposure, COVID-19 liability and COVID-19 risks. Karnavati Club Management will not be held responsible for spread of COVID-19 virus or any mishap faced by any player during the tournament.
